

“Wish I Could”

by Chennel

Live like Oprah  
Do it Big Like Obama  
Build a mansion 4 my grandmamma  
Sleep in peace a night  
with out a fight  
With the man of my  
dreams holding me tight  
Understand my purpose  
For living – If I was not  
Doing all the thanks in giving  
Wish I could tell u what  
a loving mother u were B 4 u died
