CREATE NOW
FASHION SHOW
Our mission is to empower youth from ages 3 to 24 (transition age) through arts education and mentoring, with the goal of assisting them to get out of poverty and into jobs and careers. Create Now focuses on the most vulnerable kids who have been abused, neglected, left orphaned, homeless, victims of domestic violence and sex trafficking, on probation, incarcerated, and facing similar challenges: the “forgotten children” who have fallen through the cracks.
Create Now Programs

Our workshops in music, visual arts, writing, performance, digital media, fashion and culinary arts take place at 100+ emergency shelters, foster group homes, rehab centers, detention facilities, and mental health agencies throughout the Greater Los Angeles area and adjacent counties.

We also teach at-risk students in pre-schools, Title 1, continuation and charter schools.

Every year, Create Now brings thousands of kids and families to concerts, plays, museums and other Cultural Journeys at premier venues in the region.

We also produce community events, like our Power of the Arts Festivals and mural projects.
Did you know that Los Angeles generated 87,600 jobs in the fashion industry during 2018?

This is 24% more workers than in New York!

The fashion sector accounted for the second largest share of creative jobs in Los Angeles County, contributing nearly 1 in 5 jobs of the creative industries’ total employment.

The average fashion industry worker makes $66,000/year.

In Los Angeles and Orange Counties, the fashion industry accounted for payrolls totaling $4.4 billion annually.
Thanks to the GO Campaign, Create Now has launched two Fashion Design workshops for 30 teenage foster youth who live at two large group homes: (1) Maryvale (formerly the Los Angeles Orphanage) in Rosemead, and (2) Hillsides in Pasadena.

We seek sponsors to host a fundraising benefit for Create Now where students can meet fashion designers and others who may offer internships and jobs. This will also raise funds for Create Now so we can expand all our arts programs to reach 4,000 more youth this year.
Create Now Fashion Show

While the Fashion Show will be the highlight of our benefit, this will be a fun and creative event:

- Delicious food and drinks
- Fabulous auction items
- DJ and Live Music
- Design beautiful jewelry
- Win great raffle prizes
- Enjoy our Photo Booth

And so much more! Meet like-minded people while making a difference in these teenage orphans’ lives, and help Create Now to serve 4,000 more kids.
What Your Sponsorship Means

The Create Now Fashion Show is an incredible opportunity for your company:

• Increase your brand awareness;

• Reach a wider demographic;

• Give your employees the chance to volunteer at the event and give back to the community; and

• Get a return on your investment through the promotion of your services through Create Now.
More importantly...

Your support will enable the 30 teenage foster youth in our fashion classes with the chance to celebrate their accomplishments, learn new skills, and make valuable contacts that could lead to jobs and careers.

At the same time, Create Now will receive much needed funds so that our 501 (c)(3) nonprofit can expand programs in music, photography, dance, writing - all of the arts - to 4,000 more needy kids this year.
Logistics

Our benefit will take place on Saturday, June 27 from 4:00-10:00pm. We anticipate 300+ guests including media, celebrities, Influencers and fashionistas.

The Create Now Fashion Show will take place at The Vortex, located just east of DTLA close to the 10 freeway.

Create Now will work with you to ensure that our Create Now Fashion Show is a big success, especially for the foster youth who are participating.
